

1. Go on to the internet and type in the following web address: www.twitter.com then press enter. You will be taken to the twitter.com web site and see the following page.

2. If you have a Twitter account already, click on the 'Sign in' button at the top right of the screen, sign in and go to step 5.

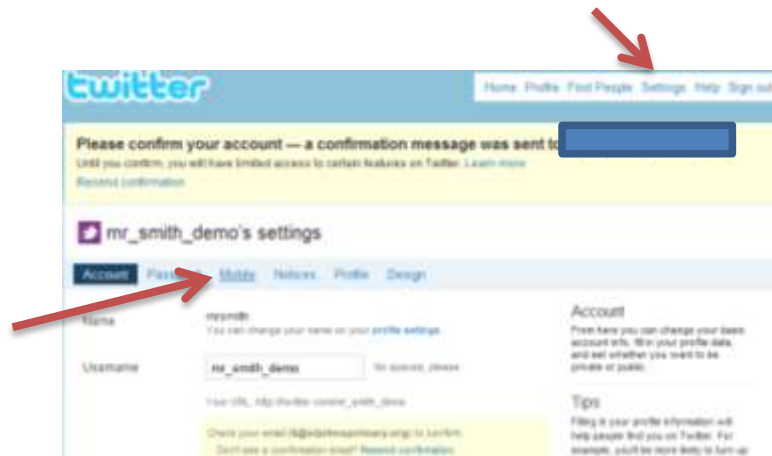

If you do not have a Twitter account Click on the 'Sign up now' button to see the following screen.

A screenshot of the Twitter sign-up form titled "Join the Conversation". The form includes fields for "Full name" (filled with "mrsmith"), "Username" (filled with "mr_smith_demo"), "Password" (filled with "*****"), and "Email" (filled with "mary.org"). There are two checkboxes: "I'd rather find me by my email address" and "I'm clicking on 'Create my account' below, you are agreeing to the Terms of Service above and the Privacy Policy." Both checkboxes are circled in red. Below the form is a "Create my account" button. The "Terms of Service" section is expanded, showing the text: "These Terms of Service ('Terms') govern your access to and use of the services and Twitter's websites (the 'Services'), and any information, text, graphics, or other materials uploaded, downloaded or appearing on the Services (collectively referred to as 'Content'). Your access to and use of the Services is conditioned on your acceptance of and compliance with these Terms. By accessing or using the Services you agree to be bound by these Terms."

3. Fill out the various boxes with your own details, and untick the two tick boxes (circled in red) by clicking on them. Then click on the 'Create my account' button.

You will need to verify you are a human not a computer by copying the text on the next screen.

- An email welcoming you to Twitter will now be sent to your email in box. In order to complete the account set up you will need to click on the blue underlined link as requested by the email.
- When you click on the link, you will be taken to the twitter sign in page. Enter your user name and password exactly as you entered them when creating your account and then click on the 'Sign In'
- Your Twitter account set up is now complete and you will be logged in to twitter. The next step is to enable your mobile phone to be able to receive messages from Twitter. Click on Settings and then Mobile.

Enter your mobile phone's number and follow the on screen instructions to register your mobile phone.

You will be able to set time barriers for when you want to receive these updates.

Send Tweets using text messages with this phone. Just send your tweets to 86444
